Good afternoon Eli,

I have attached a Use of Force report for each day when the push tactics were used, and one for the use of the Aerosol OC spray on the 19th.

It was great working with you and your team, and we hope that you are all doing well. We will have to get together for a proper debrief in the near future!

Talk soon,

James

Hi Everyone,

Avery brought this up on the virtual HUB meeting earlier today. I am requesting a team model Use of Force report from each service, for each day of the deployment (Friday Feb 18 – Sunday Feb 20) if use of force was applied (push tactics, OC, Arwen...). If none was used it can simply be captured as, "Sunday Feb 20, N/A", for example. You may follow your individual service's sop's on reporting format – no problem. Please return by Monday Feb 28.

One last thing – as I may not have had a chance to say it yet – an immense thank you to you and your members for supporting us these past few weeks. We have all been through a lot these past couple years on so many levels as cops, and it was amazing to be surrounded by so many positive, talented people, doing solid work, with zero hesitation.

Sincerely,
Eli
